

To the Herding Community:

It saddens us to relay that the Riehl's have lost two family members in two months and that the herding community has lost a wonderful influence and supporter.

Bob Riehl died Dec. 23, 2012 of cancer. Nicky was not well, but devoted herself to care for her husband.

Nicky died Feb. 6, 2013. They are survived by their two children, Lori and Mark.

A few of us are creating a Memory Book to give to Lori and Mark Riehl. It will contain anecdotes, stories, thoughts etc. from Nicky's friends and contacts in the herding community.

Hopefully, it will create a caring bridge between the friends who shared Nicky's passion for herding and her children. A gift and salve for the healing process.
